Calderdale Metropolitan Borough Council

People's Pathway – Pathway 3 (Hospital)

All assessments to commence no later than 48hrs after receipt of referral. If MCA & BID needed, arrangements should be made within this period to commence these assessments. If nursing placement is identified, request for FNC to be made to the ICB.

Once assessments are complete and pathway has been confirmed all information must be passed to the Provision Planner to source placement. Financial conversation must be had with the person/family/carer/friend on payment for short stay bed. Only if the person needs services that we cannot provide is the bed free of charge with the exception of non-weight bearing beds which are free for up to 6 weeks. Placement Agreement, (PLAG) to be completed and approved in 72 hours.

Once provision planner has sourced a service, budget to be approved by Manager.

Ward to be informed of date of discharge TTOs to be arranged and transport. Discharge to take place. PLAG to be completed
