**People's Pathway – Discharge from
Intermediate Pathway 2 (Hospital)**

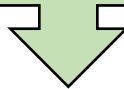

All assessments to commence no later than 48hrs on receipt of referral. If MCA & BID needed, arrangements should be made within this period to commence these assessments. If nursing placement is identified, then request for FNC to be made to the ICB.

Once assessments are complete and pathway has been confirmed all information must be passed to the Provision Planner to source service. Financial conversation must be had with the person/carer/family/friend on charging and financial bundle given. Only if the person is in need of services that we cannot provide is the bed free of charge for up to 6 weeks. Service type must be agreed by manager. Placement agreement, (PLAG) to be completed and approved within 72 hours where residential services are required.

Once provision planner has sourced a service, budget to be approved by Manager. When budget approved the person/carer/family/friend can be informed. Times for POC must be agreed by person/carer/family/friend.

Service to be informed of date of discharge TTOs to be arranged and transport. Discharge to take place.
